

**DAAD/AICGS Research Fellowship Program**  
**District of Columbia, United States**

AICGS is now accepting applications for the next round of DAAD fellowships. The application deadline for Spring 2011 (January 2011 – June 2011) is August 31, 2010.

The DAAD/AICGS Research Fellowship Program, funded by a generous grant from the Deutscher Akademischer Austauschdienst (DAAD), is designed to bring scholars and specialists working on Germany, Europe, and/or transatlantic relations to AICGS for research stays of two months each.

Fellowships include a monthly stipend of up to \$ 4,725, depending on the seniority of the applicant, transportation to and from Washington, and office space at the Institute. Please note that the DAAD/AICGS Research Fellowship supports fellows conducting research at AICGS in Washington, D.C. We are unable to support research in Germany/Europe.

DAAD/AICGS Research Fellows will be expected to produce a short analytical essay that will be published on the AICGS website and distributed via the Institute's bimonthly email newsletter, The AICGS

Advisor. For fellows producing research output of exceptional quality and interest, AICGS will provide opportunities for public presentations to the broader Washington policy community.

Project proposals should address a topic closely related to one or more of the Institute's three research and programming areas:

1. Business and Economics
2. Foreign and Domestic Policy
3. Society, Culture, and Politics
