

Individual Advanced Research Opportunities (IARO), IREX

2010–2011 Fellowship Opportunity Individual Advanced Research Opportunities (IARO) Fellowship

IREX is pleased to announce that applications are now being accepted for the 2010–2011 Individual Advanced Research Opportunities Program.

The Individual Advanced Research Opportunities Program (IARO) provides students, scholars and professionals with support to perform policy relevant field research, in the countries of Eastern Europe and Eurasia. In addition to engaging in research in the region, the IARO fellowship affords scholars the opportunity to increase their understanding of critical, policy relevant issues, develop and sustain international networks, and collaborate with foreign scholars on topics vital to both the academic and policy-making communities.

Applications and all supporting documents for 2010–2011 IARO Fellowship will only be accepted through the online application system found at:

http://www.irex.org/programs/us_scholars/uss_info.asp

Applications must be completed and submitted (including all required supporting documents) by November 17, 2009

Masters Students, Pre-doctoral Students, Postdoctoral Students, and Professionals with advanced degrees are eligible for the IARO Fellowship

IARO Fellowships cover the cost of international airfare, a living/housing stipend, visa support, travel insurance, and access to the resources available at any of our 25 area field offices.

Questions may be addressed to the IARO Program Staff at iaro@irex.org or by telephone at 202-628-8188
